Dear Sir / Ma'am,

With reference of our earlier intimation dated February 23, 2026 regarding incorporation of Step Down Subsidiary, namely, PCJ Mining SARL in Republic of Chad for extraction of precious metal ores (mining, mineral exploration and quarrying; production, refining and marketing of mineral products; general import export trade; provision of related services), we are pleased to inform that PCJ Mining SARL has been granted license for semi-mechanized artisanal mining of gold by the Ministry of Petroleum, Mining and Oil Geology, Republic of Chad for a period of one year which may be further renewed in accordance with the applicable laws. This will give the Group an opportunity to explore mining and possibly creating potential vertical integration prospects as well.

Kindly take the information on record.
