**Review Report on Quarterly Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**To the Board of Directors of PC Jeweller Limited**

1. We have reviewed the accompanying statement of unaudited financial results ('Statement') of **PC Jeweller Limited** (the 'Company') for the quarter ended 30 June 2016. Attention is drawn to the fact that the amounts for the corresponding quarter ended 30 June 2015, including the reconciliation of net profit under Ind AS of the said quarter with net profit reported under previous GAAP, as included in the Statement have not been subject to limited review or audit. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified in Section 133 of the Companies Act, 2013 read with SEBI Circular CIR/CFD/CMD/15/2015 dated 30 November 2015 and SEBI Circular CIR/CFD/FAC/62/2016 dated 5 July 2016 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 4 Reconciliation between financial results as previously reported under Indian GAAP and Ind AS for the quarter ended 30 June 2015:

		(Rs. in crore)
	Notes	Quarter ended 30 June 2015
<b>Profit after tax as per Indian GAAP</b>		<b>82.47</b>
Impact of financial assets and liabilities at amortised cost	i	(0.21)
Impact of financial assets at fair value through profit and loss	ii	(0.97)
Impact of gold inventory at unfixed prices	iii	(1.10)
Impact of foreign exchange derivatives at fair value	iv	(0.24)
Impact of employee share based payments at fair value	v	0.22
Impact of adjusting straight lining of operating leases	vi	0.47
Deferred tax on the above mentioned adjustments		0.63
<b>Profit after tax as per Ind AS</b>		<b>81.27</b>

- i) Under Indian GAAP, the financial assets and financial liabilities were typically carried at cost.

Under Ind AS, certain financial assets and financial liabilities are initially recognised at fair value and subsequently measured at amortised cost which involves the application of effective interest rate method. The effective interest rate is the rate that discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or financial liability.

- ii) Under Indian GAAP, current investments were stated at lower of cost and fair value.

Under Ind AS, these financial assets have been classified as Fair Value Through Profit and Loss ('FVTPL') on the date of transition to Ind AS and fair value changes after the date of transition have been recognised in the statement of profit or loss.

- iii) Under Indian GAAP, in respect of purchase of goods at prices that are yet to be fixed at the period end, adjustments to the provisional amounts invoiced by the vendor are recognised in the cost of inventory based on the closing gold rate. Further, in respect of purchase of goods whose prices are fixed at forward rates, cost of inventory is measured at such forward rates.

Under Ind AS, in respect of purchase of goods at prices that are fixed subsequent to the date of purchase, the Company has applied hedge accounting wherein the option to fix prices is designated as a hedging instrument and change in fair value of inventory attributable to change in prices between the date of purchase and the date of fixing prices or reporting date (as applicable) is designated as hedged item.

The hedging relationship is considered a fair value hedge. The gain or loss on the hedging instrument is recognised in statement of profit and loss and the corresponding gain or loss on the hedged item is adjusted in the carrying amount of the hedged item and recognised in statement of profit and loss.

Under Ind AS, financial liabilities in respect of purchase of goods whose prices are fixed at forward rates, are measured at amortised cost, as explained in (1) above.

- iv) Under Indian GAAP, foreign exchange derivatives used for hedging purposes were restated at each balance sheet date, and the premium was amortised over the term of the forward contract.

Under Ind AS, all derivatives are measured at FVTPL and mark-to-market gains or losses are recorded in the period when incurred.

- v) Under Indian GAAP, expense for Employee Stock Options (ESOPs) was calculated using the intrinsic value method for valuation of the options.

Under Ind AS, the fair value of options is considered for calculating ESOP expense.

- vi) Under Indian GAAP, any escalation in operating lease rentals were straightlined over the lease term.

Under Ind AS, operating lease rentals are not straight lined over the lease term if the payments to the lessor are structured to increase in line with expected general inflation.
