**Independent Auditor's Review Report on unaudited standalone financial results of PC Jeweller Limited for the quarter ended 31<sup>st</sup> December 2024 and year to date Unaudited Financial Results pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.**

To The Board of Directors  
**PC Jeweller Limited**  
New Delhi

1. We have reviewed the accompanying statement of unaudited standalone financial results of **PC Jeweller Limited** (the "Company") for the quarter ended 31<sup>st</sup> December, 2024 and year to date results from 1<sup>st</sup> April 2024 to 31<sup>st</sup> December 2024 (the "Statement") attached herewith
2. This statement, which is the responsibility of the company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind-AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 ("the Act") as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**4. Basis for Qualified Conclusion:**

- (i) The company during the financial year ended 31<sup>st</sup> March 2019 had provided discounts of INR 513.65 Crore to its export customers which had been adjusted against the revenues for the said year (read with Note 4 to the accompanying statement). The company had initiated the process to comply with the requirements of the Master Directions on Exports of Goods and Services issued by the Reserve Bank of India. Subsequently the company has obtained the approvals from the authorized dealer banks for reduction in receivables corresponding to discounts amounting to INR 330.49 Crore.

For the remaining discounts of INR 183.16 Crore, in the absence of requisite approvals and material evidence related to such transactions, we are unable to comment on the impact, if any, of the same on the accompanying Statement.

Auditor's opinion for the financial year ended 31<sup>st</sup> March 2019, 31<sup>st</sup> March 2020, 31<sup>st</sup> March 2021, 31<sup>st</sup> March 2022, 31<sup>st</sup> March 2023, 31<sup>st</sup> March 2024, quarter ended June 2024, September 2024 and December 2024 were also modified in respect of this matter.

- (ii) With respect to provision for the expected credit loss/impairment relating to overdue overseas Trade Receivables as required under Ind-AS 109, the management reviews and computes the provision for expected credit losses on annual basis.

Head Office : 128A, Best Business Park Netaji Subhash Place, Pitampura Delhi-110034

In view of defaults in payment obligations by the Trade Receivables on due date, non-recoveries as per the scheduled expected dates from the export receivables, initiation of legal route for recovery, non-review and re-computation by the management for expected credit losses during the period and in absence of clear forward looking information regarding outcome, time frame and quantum of realisability of these Trade receivables, we are unable to examine the adequacy of expected credit loss/ impairment based on provision matrix as per the requirements of Ind-AS109 "Financial Instruments" and its consequential impact and adjustments on the accompanying statement.

Auditor's opinion for the financial year ended 31<sup>st</sup> March 2023 and 31<sup>st</sup> March 2024 quarter ended June 2024, September 2024 and December 2024 were also modified in respect of this matter.

- (iii) The company inventory lying at few locations is under court's custody with effect from Jan'-23 as a consequence of order passed by the Hon'ble DRT/ DRAT and there is no change in the current status. Post one time settlement release of inventories lying under custody of Court/ DRAT is dependent on fulfilment of the terms of joint settlement agreement. Accordingly, the physical verification/inspection of the inventory at these locations could not be conducted neither by the management nor by the auditors as on date. Hence the inventory valuation is based on determination of estimated net realizable value or cost which is lower in accordance with the Indian Accounting Standards. We have relied upon the valuation of the Inventory as certified and determined by the management which is in accordance with the Indian Accounting Standards.

Auditor's opinion for the year ended 31<sup>st</sup> March 2023, 31<sup>st</sup> March 2024, quarter ended June 2024, September 2024 and December 2024 were also modified in respect of this matter.

## 5. Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matters described in the previous paragraph No. 4, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in Ind-AS 34, prescribed under Section 133 of the Act, as amended, read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 6. Emphasis of Matter

We draw attention to

- (i) As per Note 5 to the accompanying statement there is delay in receipt of proceeds denominated in foreign currency against export of goods made by the company to its overseas customers aggregating to INR 1,514.32 Crores as on 31<sup>st</sup> December 2024, beyond the timelines stipulated under the Foreign Exchange Management Act, 1999. The management of the company has filed the necessary applications with the appropriate authority for condonation of such delays to regularise the default. Pending condonation of such delay by the appropriate authority, management is of the view that the possible penalties that may be levied are currently unascertainable and would not be material; accordingly, no consequential adjustments have been made to the accompanying statement with respect to such delay/default. However, the company has computed and applied cumulative ECL (expected credit loss) on the outstanding export receivables of INR 263.68 Crores on annual basis as on March'24.
- (ii) As per the Note No. 7 read with Note no 6 the company has not made a Provision for Finance Costs during the Quarter as the company's proposal for a One Time Settlement (OTS) has been accepted by all consortium members' banks and Settlement Agreement has also been executed on 30<sup>th</sup> September 2024. Necessary financial adjustments will be made in accordance with the relevant Ind AS after fulfilling the Terms and Conditions of the Settlement Agreement.

(iii) As per Note no. 10 during the quarter ended 31st December 2024, the Company successfully completed a preferential issue of Fully Convertible Warrants ("Warrants"). The issue was substantially subscribed, with 48,08,02,500 Warrants amounting to ₹2,702.11 crore, representing a subscription of 99.89%, by the Proposed Allottees, including entities of the Promoter Group.

As per the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, the Company received 25% of the issue price as subscription amount. The allotment of 11,50,00,000 Warrants was made on 30th September 2024, and the remaining 36,58,02,500 Warrants were allotted during the quarter ended December 2024. The proceeds of share warrants is to be utilized partly for repayment of bank loans and partly for working capital requirements of the company.

**Notes:**

- The standalone unaudited financial results of PC Jeweller Limited ('PCJ' or the 'Company') for the quarter and nine months ended 31st December 2024 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 4th February 2025. The Statutory Auditors of the Company have expressed a modified review conclusion on these results.
- The financial results have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), prescribed under section 133 of the Companies Act, 2013 and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.
- The Company is engaged in the business of trade, manufacture and sale of gold, diamond, silver, precious stone, gold jewellery/items, diamond studded jewellery and silver articles of various designs/specifications. The Company's manufacturing facilities are located in India.
- During the financial year ended 31st March 2019, the Company had provided discounts to its export customers aggregating to ₹ 513.65 crore and had submitted the requisite applications for approval from the Authorised Dealer Banks as stipulated by the FED Master Direction No. 16/2015-16 dated 1st January 2016 under the Foreign Exchange Management Act, 1999. Subsequently, the Company has obtained the approvals from the authorized dealer banks for reduction in receivables corresponding to discounts amounting to ₹ 330.49 crore. However, for the remaining discounts of ₹ 183.16 crore approvals are still pending. The management however, does not expect any material penalty to be levied on account of this matter and, therefore, no provision for the same has been provided in the books of accounts.
- Trade receivables as at 31st December 2024, inter alia, include outstanding from export customers aggregating to ₹ 1514.32 crore. The export receivables have been outstanding for more than 9 months and have been restated as per the RBI exchange rate as on 31st December 2024. The Company has filed necessary applications with the requisite authority as per the regulations of the Foreign Exchange Management Act, 1999 for condonation of delays in repatriation of funds by its customers. The management is of the view that the possible penalties that may be levied, are currently unascertainable and are not expected to be material and accordingly, no consequential adjustments have been made in the books of accounts with respect to such default. However, as a mark of prudent accounting practices the Company has computed and applied cumulative ECL (Expected Credit Loss) on the outstanding export receivables of ₹ 263.68 crore as on 31st December 2024.
- During the quarter ended 31st December 2024, as per the terms of the Joint Settlement Agreement dated 30th September 2024, the Company has discharged and paid part of the cash consideration that it had to pay to the Lenders as per relevant timelines mentioned in the Joint Settlement Agreement.
- Since the Company has executed the settlement agreement with the lenders, no finance cost provisions were made during the current quarter also.
- In the absence of export revenues, there has been no separate reporting or reviews by the Chief Operating Decision Maker ('CODM') with respect to the export segment. Accordingly, the export segment has ceased to qualify as operating segment for reporting purposes as per Ind AS 108 'Operating Segments'. The CODM examines the performance from the perspective of the Company as a whole viz. 'Jewellery business' and hence there are no separate reportable segments as per Ind AS 108.
- The other income of ₹ 44.15 crore during the quarter ended 31st December 2024 includes unrealised foreign exchange gain of ₹ 38.09 crore on restatement of outstanding export receivables as on 31st December 2024.

Based on our review conducted as above, except for the possible effects of the matters described in paragraph No. 5 nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**7. Emphasis of Matter**

We draw attention to

- (i) As per Note 6 to the accompanying statement there is delay in receipt of proceeds denominated in foreign currency against export of goods made by the Holding Company to its overseas customers aggregating to INR 1,514.32 Crores as on 31<sup>st</sup> December 2024, beyond the timelines stipulated under the Foreign Exchange Management Act, 1999.

The management of the Holding Company has filed the necessary applications with the appropriate authority for condonation of such delays to regularize the default. Pending condonation of such delay by the appropriate authority, management of the Holding Company is of the view that the possible penalties that may be levied are currently unascertainable but would not be material and accordingly, no consequential adjustments have been made to the accompanying statement with respect to such delay/default. However, the company has computed and applied cumulative ECL (expected credit loss) on the outstanding export receivables of INR 263.68 Crores on annual basis as on March'24.
